

Maple classroom news!

What we are learning...

Science: We will be exploring Forces and Magnets. We will also be researching the work of John McAdam and finding out about his discoveries by conducting our own investigations.

English: Our English learning will be tied into our topic, 'Super Stone Age.' Our core text is 'The Stone Age Tablet', we will be researching the Stone Age and then creating our own newspaper articles to go into a class newspaper. We will be practising our written comprehension skills too.

Maths: Our maths learning this half term will be addition and subtraction followed by multiplication and division. We will also be exploring measuring and perimeter and practising our problem solving skills.

We have a busy half term planned as we head towards Christmas, full of new learning and discoveries. Our new topic is 'Super Stone Age.'

The children have made a great start to the year and are ready to work hard this half term and be the best that they can be.

Our Christian values this half term are Thankfulness and Respect.

Dates for your diary...

Friday 15th November - Children in Need (wear non-uniform or dress as a superhero)

Friday 6th December 3.15pm - Christmas Fair

Friday 20th December 10am - KS2 Christmas Celebration
3.15 pm Finish for Christmas

Messages...

Children need to have their P.E. kits in school on Mondays and Wednesdays.

Please support your child to practice their spellings and times tables at home.

Please encourage your child to read for at least 10 minutes every day.

We are collecting jam jars for a Christmas DT project, if you are able to donate one then please bring it into school by Thursday 5th December.
