Learning Project

(Various activities covering the wider curriculum to be completed over the week)

- Look at a selection of family photographs and discuss the changes over time. Show your child a photograph of them as a baby, a 1 year old, a 2 year old. What could they do at that age? What can they do now that they couldn't do then?
- Look at a picture of a family member as a baby (this could be parents, siblings). Discuss how everyone was a baby once. Are there any black and white photographs? Why are these photographs black and white? Do they show older family members when they were younger? Talk about how life was different then.
- Can you put on a show or performance for your family members? You could perform a story or song. Can you plan out costumes, props or even make tickets for everyone.
