

HOME LEARNING: CHERRY CLASS

Week 2: NUTRITION

Maths Tasks	Reading Tasks
<ul style="list-style-type: none"> • Daily TTRockstars. Also Numbots - using the same login. Children can email me through 2email on Purple Mash if they would like to practice specific tables. • There are some great maths challenges to improve your reasoning and problem solving. Mathematical Challenges • Complete the 2do activities on Purple Mash - unit fractions on a number line and fraction equivalence.. • Access daily lessons on fractions at White Rose maths • Revise our last unit on Measurement using supermovers 	<ul style="list-style-type: none"> • Share books daily and practise your home reader. • Choose a book from Oxford Owls to read. Try to choose something that you wouldn't normally pick. • Write a review of your book on the Purple Mash 2do. • Read a recipe book and choose your favourite to make. • Keep up-to-date with positive news from around the world on the Twinkl Home Learning Hub. Look at the newsroom daily bulletin and then complete the associated reading comprehension. A different news story will be available each day! • David Walliams has made a number of his audio books available free online. He is also going to read a story live every day at 11am for you to enjoy. David Walliams elevenses
Daily Spelling Tasks	Writing Tasks
<ul style="list-style-type: none"> • Access the homophones quiz on the Purple Mash 2do. • Use supermovers to help you remember the definition of a homophone. • Our spellings for this week are: <ul style="list-style-type: none"> their they're mane main ordinary group perhaps grammar learn <p>(because, break, prove, any, pretty)</p> <p>Practice these daily using look/cover/check, or writing them in a crossword or using rainbow colours. Remember to check the different meanings.</p>	<ul style="list-style-type: none"> • Practise your handwriting daily. This is the perfect opportunity to send a handwritten letter to a family member or friend. If you have a touchscreen device, you could use 2Handwrite on Purple Mash - exploring different writing implements. • Your grammar activity this week is expressing time, place and cause using conjunctions. This is a cloze activity set as a 2do (Bella and the Farm) on Purple Mash. • Use the recipe template set as a 2do on Purple Mash to write out your own nutritious recipe. Remember to include imperative (bossy) verbs as sentence openers and organise your recipe using bullet points. As a Computing link, you could try adding a photograph of the finished item. • Remind yourself how bullet points are used by doing the following supermovers.

Keep Active!

- Practice the balances that we have been learning this term. You will need a family member to help you with this. You will need to give clear instructions on what to do and be careful!
- Continue to practice sending and receiving balls of different sizes using your hands and your feet. Rebound balls off walls or another willing participant! Develop your control taking care to adjust the direction and strength of your sending.
- Join in with [Joe Wicks](#) every morning at 9am for a thirty minute P.E. lesson. There are also shorter workouts available on his webpage.
- Practice your times tables using [supermovers](#).

Art

- On Tuesdays and Thursdays children can create some great pictures with the help of [Rob Biddulph](#), a children's author. The two from last week are already on.
- Warhol, Rembrandt and Goya are all famous artists who used printing as a technique. Research one of them and create a print in the style of your chosen artist.

Learning Project

Various activities covering the wider curriculum to be completed over the week.

- Let's Wonder: In Science we have been studying animals, including humans. Use Purple Mash to complete the 2do: muscles.
- Let's Create: Follow a recipe to make a nutritious meal or drink (soup, smoothie, cake, pizza etc.). Add an ingredient to put your own twist on it. You will be writing up the recipe as part of English this week.
- Be Active: Can you design an Easter Egg hunt around your house and garden? Make sure you are using the space available to you in the most active way. Remember to hide clues/eggs at different levels.
- Time to Talk: Using your recipe as inspiration, find out what ingredients the members of your household would like best. Ask them to test your recipe and give you some feedback.
- Understanding Others and Appreciating Differences: How do other countries and religions celebrate Easter? If they don't celebrate Easter, do they have a different Spring celebration or one involving chocolate? Create a collage of images from each celebration.
- Reflect: Watch the video on Purple Mash about the Easter story and write a letter to a friend explaining what happened using the 2do. This will be available from Wednesday.

Some phonics and handwriting activities have been set as 2dos on Purple Mash for those children who still need to practice these.

The Radio Times have also put a list together of daily online 'lessons' at [Kids online school timetable](#)

-- Remember to check the 'Cherry Home Learning Suggestions' for plenty of other ideas to keep you busy! --
