

HOME LEARNING: MAPLE CLASS

Week 2: Where in the world?

Maths Tasks	Reading Tasks
<ul style="list-style-type: none">• Daily TTRockstars.• Daily numbots.• Practise units of measurement with supermovers.• Revise measurement (length and perimeter) on White Rose Maths.• Find the perimeter of objects around the house: a kitchen cupboard door, the letterbox, a window, a paving slab. You can round to the nearest cm or challenge yourself and measure in mm!• Complete the 3 maths 2do activities on Purple Mash linked to converting units of measure and perimeter.• Use chalk (can be done on paper, just change the numbers) and draw shapes outside with the following perimeters: 40cm, 1m, 60cm, 3m, 80cm, 2.4m	<ul style="list-style-type: none">• Share books daily and ask and answer questions. Include a variety of fiction, non-fiction and poetry.• Listen for free to The Swiss Family Robinson.• Write a review of your favourite book of the week on the Purple Mash 2do.• Keep up-to-date with positive news from around the world on the Twinkl Home Learning Hub. Look at the newsroom daily bulletin and then complete the associated reading comprehension. A different news story will be available each day! Offer code: CVDTWINKLHELPS• David Walliams has made a number of his audio books available free online. He is also going to read a story live every day at 11am for you to enjoy. David Walliams elevenses.
Spelling and Grammar Tasks	Writing Tasks
<ul style="list-style-type: none">• Access the various spelling quiz 2dos on Purple Mash to practise spelling rules learnt so far in Y4.• Our spellings for this week are words with the /k/ sound spelt 'ch':<ul style="list-style-type: none">schemechoruschemistechocharacterachemonarchstomachorchidorchestra• Practise these daily using look/say/cover/write/check, or writing them in a crossword or using rainbow colours. Remember to check the different meanings in a dictionary.• Access the Campsite Jim 2do on Purple Mash to practise comma placement after fronted adverbials.	<ul style="list-style-type: none">• Go on the 'World Tour' 2do on Purple Mash. Watch the video clip and research and write about a holiday destination for the traveller to visit. Think about your layout. You may want to use commas in a list, bullet points or subheadings to organise your ideas.• Use supermovers to revise how to use inverted commas.• Choose a country or city in the world as a setting for an adventure story. You need to invent at least two characters and your story should include speech (including inverted commas!). This can be done on paper or the Adventure Story 2do.• This is the handwriting scheme we follow at school, through this website you can download worksheets and visual aids to support your child in practicing the correct cursive formation. In Y4 we need to be secure with how to join letters correctly.

Keep Active!

- Go on a walk and collect a variety of different leaves (can be done from leaves in your garden!). Have a go at [Hapa-Zome](#) using fabric or even kitchen roll.
- Make an obstacle course in your garden. Can you improve the time it takes you to complete it?
- Join in with [Joe Wicks](#) every morning at 9am for a thirty minute P.E. lesson.

Mindfulness

- Watch a selection of the [Cosmic Yoga Zen Den](#) videos and have a go at some of the mindfulness activities.
- Don't forget about drawing with [Rob Biddulph](#) on Tuesdays and Thursdays!

Learning Project

(Various activities covering the wider curriculum to be completed over the week)

- **Let's Wonder:** This year's theme for British Science Week was 'Our Diverse Planet'. Have a look through their [activity booklet](#) and have a go at one of the activities. 'Don't tip the ship!' looks like great fun on p.12.
- **Let's Create:** Watch this video about artist Ken Done. Learn about how he creates art about famous landmarks. Choose your own landmark to draw/paint. This can also be done on the 2paint 2do on [Purple Mash](#).
- **Be Active:** Can you design an Easter Egg hunt around your house and garden? Make sure you are using the space available to you in the most active way. Remember to hide clues/eggs at different levels.
- **Time to Talk:** Ask different members of your family where their favourite place to visit in the world is. Why is it their favourite? When did they go there? Can you find these places on a map? This can be done over a video call too. Try to ask at least 5 different people!
- **Understanding Others and Appreciating Differences:** How do other countries and religions celebrate Easter? If they don't celebrate Easter, do they have a different Spring celebration or one involving chocolate? Create a collage of images from each celebration.
- **Reflect:** Watch the video on Purple Mash about the Easter story and write a letter to a friend explaining what happened using the 2do. This will be available from Wednesday.

-- Remember to check the 'Maple Home Learning Suggestions' for plenty of other ideas to keep you busy! --
