

# Oak classroom news!

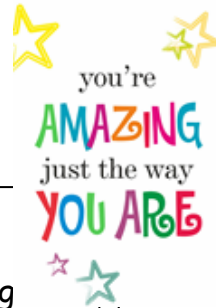

## What we are learning...

**Topic:** Our topic continues to be 'Journeys and Discoveries.' We are coming to the end of our learning about Ancient Egypt and will be moving onto a road trip of North America, investigating the different human and physical features we will encounter on our way. In art, we will be looking at the work of artist Paul Klee, created on his journeys across different continents.

**English:** We have finished our class book, 'Wonder' and are very excited to start a newly-published story 'Where the World Turns Wild', which will feed into lots of our English learning this term. It is a story full of adventure and drama! We will also be using our science learning, on healthy minds and bodies, to write an information text explaining how we can keep ourselves healthy.

**Maths:** We start this half term finishing our algebra topic, before moving onto a 'Measurement' topic. This learning will involve finding out about converting between different units of measurement, and investigating perimeter, area and volume.

We cannot quite believe we are halfway through the year already! It has been a great first week back, full of many 'proud' moments. The class have hit their learning with enthusiasm and maturity.

## Dates for your diary...

- It is fantastic to have each member of Oak at SATS Booster Club; this continues on Mondays after school.
- BikeAbility is on Monday 2<sup>nd</sup> and Tuesday 3<sup>rd</sup> for group 2, Monday 9<sup>th</sup> and Tuesday 10<sup>th</sup> for group 3 and Monday 16<sup>th</sup> and Tuesday 17<sup>th</sup> for group 1. (Fingers crossed for no weather warnings!)
- World Book Day is On Thursday 5<sup>th</sup> March. Children can come dressed as their favourite character.
- I will be finalising the dates for the Leaver's Production etc. next week and I will send these home as soon as I do.

## Reminders & information...

- Children need their indoor and outdoor P.E. kit in school every Thursday and Friday.
- Please remind your child that every Monday, we have a spelling test on the previous week's words.
- Every Friday, children will continue to bring home some maths homework for them to complete.
- On World Book Day, we will be launching a Reading Challenge to help children to continue to develop a love of reading. Children will be bringing home details about what this involves next Thursday.
- As we head towards the SATS in May, please do let me know if your child is at all worried about this so I can support them in school.
