

## HOME LEARNING: WILLOW CLASS

### Week 2: Springtime in my Local Area.

#### Maths Tasks

- Daily numbots.
- Play on [hit the button](#) - focus on number bonds to 10, 20 and 100.
- Complete the addition & subtraction 2do game on [Purple Mash](#).
- Follow the free [White Rose Maths](#) scheme of work which we use in school. Our next area of maths would be comparing length & height and measuring length. I haven't taught this yet but there are lots of practical/fun activities to do.
  - Use lego/pasta/paper clips to measure the length of 10 different objects at home. Which object is the longest/shortest? Can you order the objects from longest to shortest.
  - Can you measure yourself with a piece of string? Are you taller or shorter than your siblings or pets? Who is taller, mummy or daddy? Who is shorter?
  - Practise measuring objects with a ruler in cms. Only measure objects up to 30cms for now. Remember to measure from 0cm and read the measurement accurately.
- Complete the two measure 2do activities on [Purple Mash](#).
- Complete the length & height activities on [Primary Stars Education](#).

#### Reading Tasks

- Try to read a different book from home each day. Share your reading with an adult. Can you take it in turns to read a page each? Who can use the most expression?
- Listen to [The Tiny Seed](#) on youtube. Can you retell the story in your own words to an adult?
- Choose a book you enjoyed reading this week and complete a book review 2do on [Purple Mash](#).
- Complete the Spring activity booklet on [Twinkl](#). There are questions to answer to support comprehension and other Spring activities to enjoy.
- Look at the powerpoint '[All about Spring](#)'. What signs of spring can you see in your garden or local area?
- This won't be for everybody in Willow but may be of interest to some children. David Walliams has made a number of his audio books available free online. He is also going to read a story live every day at 11am for you to enjoy. [David Walliams elevenses](#)

#### Daily Phonics/Spelling Tasks

- Use the Willow sounds powerpoint on the school website. Practise saying all the sounds we have learnt. Choose 5 sounds. How many words can you think of that have that sound? Write a list. Write a sentence for each word.
- Practise the alphabet with this fun song from [Supermovers](#).
- Choose 6 more words from the Y1 spelling mat (on the school website). Practise reading & spelling them. Write a sentence using each word.
- At the end of the week ask an adult to test you on these words.
- Complete the spelling quiz on [Purple Mash](#) Y1 SPR 1 WK 1 - Quiz (compound words).  
Can you practise writing these compound words? Can you make up your own sentence using one of these words?
- Complete the [Spelling Frame](#) games for

#### Writing Tasks

- Use [Purple Mash](#) to help you write a set of instructions - I have set a 2do. Can you write instructions for making a healthy fruit smoothie?
- Can you practise writing your name? Write your first name, middle name and surname. Remember to use tall capital letters at the beginning of each name.
- Our window theme for this week is sunshine. Can you make a bright & colourful sunshine poster? Write some adjectives to describe the sunshine and how it makes us feel.
- Spring is here! Can you write about what happens in Spring? Use the 2do on [Purple Mash](#).
- Write some sentences about what happens in Spring. Remember to use capital letters and full stops! Watch the Hip Hop Granny on [Supermovers](#) to help you.

the 'ee' sound - spelling rule 6.

### Keep Active!

- Join in with [Joe Wicks](#) every morning at 9am for #PEwithJOE
- [Jump Start Jonny](#) free workouts every morning at 9am.
- Can you build an obstacle course for you and your family members to use. Who can complete the course the quickest? How could you make your course harder?

### Mindfulness

- Choose your favourite board game to play with your family. Explain to them about taking turns and playing fairly.
- Focus on your breathing to help you feel calm and relaxed with [guided relaxation](#).

### Learning Project

(Various activities covering the wider curriculum to be completed over the week)

Science - Continue with your broad bean diary - complete it at the end of each week. Observe your plant again carefully, draw a diagram of what it looks like and label it carefully, write sentences to describe what has happened to your broad bean plant since last week.

Art - Can you do some daffodil art symmetry?

- Take a photograph of a daffodil (or a real one) and cut it in half.
- Draw the other half of the daffodil - make sure it is symmetrical.
- Paint or colour your half.

DT - Follow the instructions you wrote on Purple Mash to make a healthy smoothie. What fruits could you use?

Geography - Complete the 2do tasks on [Purple Mash](#) Can you name the countries of the UK and their capital cities?

RE - Make an Easter garden. Do you know what an Easter garden is? [Twinkl](#) has instructions about how to make one. Look at this [website](#) for a powerpoint which tells you all about Easter gardens.

Music - Can you sing the 'swing low, sweet chariot' gospel medley we have practised singing in worship? Look at [Sing Up](#) to remind you. Can you sing it in a 'round' with other people in your family.

Eco - Can you make an Ecobrick? An Eco Brick is an empty plastic bottle that is packed tightly with soft plastic until it becomes a strong building block. The building blocks can then be used to make lots of things like walls, tables and chairs. Take a look at these websites for more information - [BBC](#) - [Collingwood School](#)

Take a look at the Radio Times list of daily online lessons - do some online learning with a celebrity. [Online learning with a celebrity](#).

**Don't forget to take photographs of some of the things you have made and ask your parents to email them to me!**

**Remember to check the 'Willow Home Learning Suggestions' for plenty of other ideas to keep you busy!**
