

HOME LEARNING: MAPLE CLASS

Week 1: My Local Area

Maths Tasks	Reading Tasks
<ul style="list-style-type: none">• Daily TTRockstars.• Daily numbots.• Play hit the button - focus on number bonds to 10, 20 and 100.• Complete the 2do activity on Purple Mash - tenths and hundredths.• Practise fractions and decimals using supermovers.• Access daily lessons on fractions (tenths and hundredths) at White Rose Maths This is a short revision of areas covered at school last week and then moves on to the new learning.	<ul style="list-style-type: none">• Share books daily and practise your home reader.• Choose a book from Oxford Owls to read. Try to choose something that you wouldn't normally pick!• Keep up-to-date with positive news from around the world on the Twinkl Home Learning Hub. Look at the newsroom daily bulletin and then complete the associated reading comprehension. A different news story will be available each day!
Daily Spelling Tasks	Writing Tasks
<ul style="list-style-type: none">• Access the Statutory words - Random quiz on the Purple Mash 2do.• Use supermovers to help you remember different spelling rules.• Our spellings for this week are common exception words:<ul style="list-style-type: none">althoughthroughpotatoesenoughpossessnaturalbelievedifferentpossibleprobably• Practise these daily using look/say/cover/write/check, or writing them in a crossword or using rainbow colours. Remember to check the different meanings in a dictionary.• Access the Harry's Party 2do on Purple Mash to practise the grammatical difference between plural and possessive - s.	<ul style="list-style-type: none">• Write a diary entry summarising the events from the day/week on Purple Mash 2do.• Create a leaflet 2do on Purple Mash all about your local area. What things are there to do? Are there shops and restaurants? Remember to include headings and subheadings to organise your writing for each page.• Choose an interesting building you know out about and write a list of questions that you would like to ask to find out more information.• Write a fictional story 2do on Purple Mash about an unusual event in your local area. What happens? Is it a good thing? Or does something terrible happen? You could include characters like a superhero or characters from other stories.• Think of your favourite local place. It could be your garden, the park, the woods or a place in York or Leeds. Draw the place and write a detailed setting description on Purple Mash including lots of descriptive language. Explain why you like it so much.

Keep Active!

- How long can you skip on the spot for? See if you can improve your personal best every day this week!
- Make a den and take a picture.
- Join in with [Joe Wicks](#) every morning at 9am for a thirty minute P.E. lesson.

Mindfulness

- Art is a great way to focus the mind and be calm. On Tuesdays and Thursdays children can create some great pictures with the help of [Rob Biddulph](#), a children's author. The two from last week are already on his website.

Learning Project

(Various activities covering the wider curriculum to be completed over the week)

This week your project is all about where you live! This project is designed to be completed offline, but you may choose to record some parts on Purple Mash and save them in your work folder.

- **Let's Wonder:** Think about your street. What type of houses are on your street? What type of house do you live in? What other buildings are close by? Find out about your local area, what different buildings does it have? How old are some of those buildings? How have they changed over time? Use a map to locate different places. Look on Google Earth. Draw your own detailed map of your local area and create a key showing the different features.
- **Let's Create:** Choose a building you most admire in your local area. Make a model of that building using materials of your choice. (Playdough, junk modelling, lego etc.) How well did you do? What would you do differently next time? What have you learnt?
- **Be Active:** Get out into the garden, pull up some weeds or help to get it ready for summer! Does your garden need a tidy up? Maybe you could plant some seeds.
- **Time to Talk:** Were your family members all born in this local area? If not, how is their place of birth different to your own local area? If they were, how different is the local area since they were born? Talk about their memories of how it has changed. You could even look at some photographs!
- **Understanding Others and Appreciating Differences:** Research different places of worship that can be found in the local cities of York and Leeds. On a map can you find the nearest Church? Mosque? Synagogue? Temple? Gurdwara? What can you find out about them? Draw pictures and label them with any information you find out.
- **Reflect:** Think about what would improve your local area? What is your local area lacking? What spoils your local area? What could be done? Write a list of things that you think would improve the lives of people living in your area.

-- Remember to check the 'Maple Home Learning Suggestions' for plenty of other ideas to keep you busy! --
