

Birch classroom news!

What we are learning...

Topic: Once upon a time...

This term our topic is home sweet home and our main focus is: We are going on a bear hunt. This links with our science, History and Geography. If you have this book at home, you can read and discuss with your child. As well if you have any photos of Church Fenton and how the village has changed over time, we would love to see these!

Phonics and English:

Reception- This term we are continuing to segment and blend words as well as writing our own sentences.

Year 1 will be writing their own instructions and writing to describe their local area as well as making sure they use capital letters and full stops. Please read at home with your child to embed their phonics knowledge.

Maths:

In Reception this term we are going to be exploring addition, subtraction and number bonds to 10.

In year 1 this term we are going to be exploring place value to 50, length and height as well as exploring the 2 and 5 and 10 timetables. Practising counting at home will help with their skills in class.

Our values

This half term at Kirk Fenton Primary school

We are focusing on the value...

Perseverance

Dates for your diary...

World Book Day - 5th March

Sports Relief - 13th March

Training Day - 27th March

Easter Break - 6th - 17th March

Reminders...

The school day is 8:50-3:10pm. Please ensure that you arrive promptly as we will be completing the register by 8:55am. Children arriving after this time will be asked to sign in at the front of the school.

Please do not allow your child to bring any toys from home into school.

Please ensure your child has a PE kit in school every day, this should consist of a white t-shirt, red shorts and pumps.

Book bags should be in school every day. If books have not been returned on changing day, a new book will not be given until the following week. Please comment in children's reading records so we can see how many times they have read at home.

A change of clothes on your child's peg is useful as we do love to explore water in our fantastic new outdoor area.

We encourage children to bring their own water bottles into school to ensure that they stay hydrated throughout the day.

Please ensure all items of your child's clothing are labelled.

What you can do to help...

Please ensure your child completes the weekly homework and daily reading to embed their learning.

Please send in your plastic and cardboard for our creative area. Thank you.
