20th April 2020

Dear Parents/Carers,

We are delighted to welcome you and your child to Kirk Fenton Reception in September 2020. We are keen to ensure that your child's transition into Reception goes smoothly and we look forward to developing our partnerships with you as well as linking in with the settings where your child may be attending currently to help your child make the best possible start at Kirk Fenton.

These are unprecedented times; we would normally confirm dates for you and your children to spend time with the Reception staff teams. These include storytimes, stay and plays as well as opportunities to meet together to explain how things work for you and your family joining Kirk Fenton Reception. Unfortunately, currently this isn't possible but as soon as things become clearer following Government guidelines for possible return to school, we will be in touch to offer you transition and welcome opportunities.

We will notify you of the dates as soon as we can as well as sending you our New Starters' information packs.

If your child currently attends another setting, please could you indicate where (and the number of sessions normally taken) below so that we can contact the setting and start sharing information to help us all get off to a flying start. If your child already has a special friend or knows someone coming to Kirk Fenton Reception in September, please could you also indicate this on the form below and return this to us so we can organise our classes.

We look forward to meeting you and please do not hesitate to get in touch if you have any queries about September.

Karen Williams  
Headteacher
