

HOME LEARNING: HAZEL CLASS

Summer Week 4: Up, Up and Away!

Maths Tasks	Reading Tasks
<ul style="list-style-type: none"> • Daily numbots. Remember - if you complete 30 minutes across the week we will send you a gold trophy badge on Marvellous Me! • Daily TTRockstars. • PurpleMash: <ol style="list-style-type: none"> 1. Solve one-step problems that involve addition and subtraction. 2. Match a mathematical pictorial model (+/-) to its statement. • Have a go at space themed addition and subtraction facts up to 20. • Problem Solving: Noah saw 12 legs walk by into the ark. How many creatures could he have seen? How many different answers can you find? You could draw pictures, use toy animals or think of your own way to solve this! • The sunshine may have disappeared, but getting outside is still important. Try these outdoor maths challenge cards for a bit of outdoor fun! • Make your own game of snakes and ladders with numbers up to 100. Instead of snakes and ladders can you think of something creative, like rainbows and rain clouds? 	<ul style="list-style-type: none"> • Find out all about famous pilot Amy Johnson by watching this short video and sharing the reading on the webpage. • Choose some different books on your Oxford Owls account. Try something more challenging or even enjoy an easy picture book. It's nice to have a mix! • Amy's journey took her over deserts, jungles and tropical islands. Read along to 'Rumble in the Jungle'. Can you pick out the rhyming words and write them down in pairs? • Complete the book review 2do on Purple Mash for your favourite book from this week. • Share books daily and ask and answer questions. Include a variety of fiction, non-fiction and poetry. <p>This week Mrs Fitzpatrick & Hazel are enjoying: 'The Big Book of the Blue' by Yuval Zommer.</p> 
Daily Phonics/Spelling Tasks	Writing Tasks
<ul style="list-style-type: none"> • Complete the spelling quiz on PurpleMash - Common exception words • Complete the spelling frame game for rule 30 - Common exception words (1 of 6) • This week's spellings are: <ul style="list-style-type: none"> beautiful father climb hour 	<ul style="list-style-type: none"> • Watch the video 'Soar'. Write a story imagining you are Mara or Lucas. Try to include the following: <ul style="list-style-type: none"> ○ Adjectives to describe the characters and setting ○ Adverbs to describe how things happen e.g. slowly, shyly, courageously ○ Speech (what do you think they say to each other?) <p>This can be completed on the story 2do on PurpleMash. Try to do a little bit each day so you have a 1 page</p>

sure
sugar
could
clothes
everybody
people

- This week's spellings are the common exception words already tested in Year 2 which we still misspell the most as a whole class!
- Make the words out of playdoh. This is good to think about the shape of the word and the individual letters.

story by the end of the week.

- Draw a detailed picture of Amy Johnson or her plane and write 5 facts about her on the [PurpleMash](#) 2do. Remember to use capital letters at the start of each sentence and for names of people and places e.g. Hull, Australia.
- Write a poem about your [favourite word](#). Watch the video and make sure you have paper and a pen when you listen. Have fun with it! This can be written up on the poem 2do on [PurpleMash](#).
- Complete the 'Jim take out the rubbish' 2do on [PurpleMash](#). This is to practise capital letters, full stops, question and exclamation marks.
- Continue practising your neat, joined handwriting using [these sheets](#) from our school handwriting scheme.

Keep Active!

- Get moving with [Jumpstart Jonny](#). Free videos are available on his website with new free content each Monday.
- Dance along with [Oti Mabuse](#) every morning at 11.30am with her live dance class for kids.
- Join in with [Joe Wicks](#) every morning at 9am for #PEwithJOE

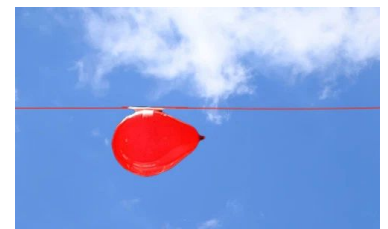

Mindfulness

- Take time to talk about everything that has been going on in our world and complete a [Coronavirus Time Capsule](#).
- Explore with [ice, salt and paint](#). This is a fun sensory experiment. TIP: Having tried this just last week, give time for the salt to melt the ice to create lots of holes for the colours! Patience is key!

Learning Project

(Various activities covering the wider curriculum to be completed over the week)

Science - Have a go at making a [balloon rocket](#). How far can you make it go? Can you improve your distance?

Art - Choose an aeroplane you like the look of the most. It could be the Wright Flyer, a spitfire or an Airbus passenger plane. Draw it using a pencil and shade your drawing by pressing on harder for the darker parts and softer for the lighter parts.

D.T. - Create a [paper plate hot air balloon](#) like artist Darrell Wakelam.

History - Find out how to be a historian by having a go at this [BBC Bitesize lesson](#). Use your new interview skills to ask someone in your family (or a few people) all about Concorde. This was a type of plane that used to exist. Take notes as you find out, just like a real historian!

R.E. - Christian Aid Week

Christian Aid Week donations help families around the world to overcome poverty and injustice, wherever the need is greatest.

For your home learning this week, we would like you to tidy your bedroom, put away your toys, do little jobs, etc. If you receive money for helping, we would like you to think about where you would like your money to go. Talk to your grown-up about helping people.

Computing - Choose some of these [offline games](#) to learn all about computational thinking. These fun activities all link with important skills such as understanding algorithms and logic.

Music - Have fun experimenting with music on this [online game](#).

-- We hope you are staying safe and finding the class page helpful to support your home learning. We are continuing to include a range of activities for you and your child to choose from, but please don't feel that you have to complete them all! It is important that you enjoy your family time together.

Thank you for your emails of children's work and feedback on the home learning. We love to see what you have been doing and we hope some of the tweaks we have made help. You can contact us by sending an email to: admin@kf.starmat.uk

You can upload pictures of home learning to your child's personal work folder on Purple Mash or email them to the above address. We love to see what you are all doing at home!

Remember to check the 'Hazel Home Learning Suggestions' and 'Live Learning @ Home' documents for plenty of other ideas to keep you busy! --
