Keep Active!

- Challenge yourself. Throw a ball into the air and catch it. How many times can you do this without dropping it? Can you throw the ball higher or use a smaller ball? Try to improve on your initial score.
- Continue to practice sending and receiving different objects using your hands and your feet. Rebound balls off walls or another willing participant! Introduce a bat or racquet. Develop your control taking care to adjust the direction and strength of your sending.
- Join in with [Joe Wicks](#) every morning at 9am for a thirty minute P.E. lesson. There are also shorter workouts available on his webpage.
- Practice your times tables using [supermovers](#).

Art

- On Tuesdays and Thursdays children can create some great pictures with the help of [Rob Biddulph](#), a children's author. The two from last week are already on.
- Think about how you can use symmetry to create patterns. This can be explored using Reflections set as a 2do on Purple Mash or using paints and folding the paper. Be adventurous with your paintings. Try folding the paper in different ways to create different patterns. Try holding a mirror up to one half of your face. Does it still look like you? Use 2 mirrors to reflect into each other and look at the amazing patterns you can create.

Learning Project

Various activities covering the wider curriculum to be completed over the week.

Our activities this week mark the 75th anniversary of VE day on Friday.

- Let's Wonder: Have you thought about the role that Church Fenton and York played during the war? Find out here [VE Day](#)
- Let's Create: To mark VE day on Friday, create a poppy in anyway that you can.
- Be Active: Take part in the Big Neighbourhood Family Festival by visiting [VE Day](#)
- Time to Talk: Were any of your family members involved in the second world war? What do they remember? Alternatively, look at the countries that were involved in the war. Have you visited any of them?
- Understanding Others and Appreciating Differences: Think about what life would have been like for children during the second world and how they would have felt when it ended. Lots of street parties and celebrations took place. Do you think there will be similar parties to celebrate the end of lockdown?
- Reflect: Watch the film explaining the lead up to VE day and why it is so significant. [VE Day](#)

Some phonics and handwriting activities have been set as 2dos on Purple Mash for those children who still need to practice these.

The 2do activities on Purple Mash will become accessible to children on different days - similar to how the learning would take place in school.

The Radio Times have also put a list together of daily online 'lessons' at [Kids online school timetable](#)
