

Sycamore Weekly Timetable: 11.05.20

Remember this is a suggestion and I do not expect you to follow this word for word. There are plenty of home learning tasks on the other resource section. Feel free to spend more time completing projects with your family and enjoying learning new things

I will update daily if anything changes.

	Monday	Tuesday	Wednesday	Thursday	Friday

13:15 - 15:15	<p><u>French:</u></p> <p>.Create a french word wordsearch. Place the words in french in the word search but put the clues in English. That way the person doing it has to</p>	<p><u>Art:</u></p> <p>. Draw/paint your favourite animals. Here is a link for a tutorial website that has step by step guides on how to draw</p>	<p><u>Science</u></p> <p>What is pollination and how does it work?</p> <p>Watch this video to find out about pollination. https://www.bbc.co.uk/t</p>	<p><u>Religious Education</u></p> <p><u>Christian Aid</u></p> <p>Use the information in the RE folder to find out about Christain Aid.</p>	<p><u>Weekly Diary or science</u></p> <p>Complete your weekly diary - What did you learn this week?</p> <p>What did you do</p>

	<p>find the French word for the clue. There are some word maps to help you. Pick a theme from:</p> <p>Colours Family Animals</p> <p>Or choose another theme. But you will need to find the words yourself. If you can, share them onto the stream for others to have a go.</p> <p>There's a template on Google Classrooms and some word maps to help you.</p>	<p>different animals (Not all of them are on there). You choose how you want to present it (Paint, pencil, charcoal, pastel etc).</p> <p>https://easydrawingguides.com/how-to-draw-animals/</p> <p>Or really challenge yourself with the tutorials on this website....they are very advanced so you may find it difficult.</p> <p>https://www.artifactory.com/drawing_animals/drawing_animals.htm</p>	<p>each/class-clips-video/science-ks1-ks2-ivys-plant-workshop-what-is-pollination-and-how-does-it-work/zv4df4j</p> <p>Then read through the powerpoint on pollination.</p> <p>Create a comic strip telling the story of insect pollination. How do the insects get drawn to the flower, what happens when they land on it? What happens when they leave? What happens next?</p> <p>Make it colourful, interesting, informative and funny if you would like.</p> <p>Use the comic template (you need to print it off) or draw your own comic strip at home.</p>	<p>Answer the questions and have a go at the word search.</p> <p>Extension: Create a poster or presentation explaining what Christian aid is.</p>	<p>this week?</p> <p>What do you plan on doing next week?</p> <p>or <u>Exploding moon rocks!</u></p> <p>Use this link to find out how to make exploding moon rocks at home! We all love a bit of chemistry.</p> <p>https://www.littlepassports.com/blog/craft-diy/make-exploding-moon-rocks/</p>
