22nd May 2020,

Dear Parents,

Thank you to those parents who responded to our online survey if your child is in one of the year groups indicated to return to school in our phased re-opening. This is not a commitment either way at this time, but will help me to plan strategically. After the DfE confirm their guidance next Thursday I will write out again giving detail as to how we will manage the wider re-opening of Kirk Fenton Primary school specifically. This communication will aim to give you sufficient detail to make an informed decision, but please refrain from asking detailed questions at this point as I cannot finalise planning currently. When I write out at the end of next week, you will still be quite entitled to change your mind either way.

Best wishes,

Karen Williams  
Headteacher
