

HOME LEARNING: CHERRY CLASS

Week 9: Boudicca

Maths Tasks	Reading Tasks										
<ul style="list-style-type: none"> • Daily TTRockstars. Also Numbots - using the same login. Children can email me through 2email on Purple Mash if they would like to practice specific tables. • There are some great maths challenges to improve your reasoning and problem solving. Mathematical Challenges • Sort and label shapes by completing the 2do activities on Purple Mash - '2D and 3D shape sorting' and 'label shapes'. • Access daily maths lessons on the BBC home learning hub. Daily lessons. This week revises drawing and discovering equivalent fractions. • You can also revise maths topics covered earlier by accessing previous weeks or year groups. • Revise rounding numbers using the following supermovers 	<ul style="list-style-type: none"> • Share books daily and practise your home reader. • Choose a book from Oxford Owls to read. Try to choose something that you wouldn't normally pick. • Read chapter 2 of Horde of Ravens on Purple Mash. Later in the week, you will be given a 2do quiz about what you have read. Reading it more than once will help you answer the questions. • Keep up-to-date with positive news from around the world on the Twinkl Home Learning Hub. Look at the newsroom daily bulletin and then complete the associated reading comprehension. A different news story will be available each day! • David Walliams has made a number of his audio books available free online. He is also going to read a story live every day at 11am for you to enjoy. David Walliams elevenses 										
Daily Spelling Tasks	Writing Tasks										
<ul style="list-style-type: none"> • Access the spellings revision quiz on the Purple Mash 2do. • Pick up some tips on spelling using supermovers and practice spelling rules. • Our spellings for this week are a revision of the 's' sound within words spelt with ce : <table data-bbox="183 1601 614 1780"> <tr> <td>sentence</td> <td>notice</td> </tr> <tr> <td>recent</td> <td>innocent</td> </tr> <tr> <td>parcel</td> <td>process</td> </tr> <tr> <td>grocer</td> <td>December</td> </tr> <tr> <td>distance</td> <td>voice</td> </tr> </table> <p>Practice these daily using look/cover/check, or writing them in a crossword or using rainbow colours. Remember to check the meanings using a dictionary.</p> <p>Some children have words ending -il (pencil) to revise on their 2do.</p>	sentence	notice	recent	innocent	parcel	process	grocer	December	distance	voice	<ul style="list-style-type: none"> • Practise your handwriting daily. This is the perfect opportunity to send a handwritten letter to a family member or friend. If you have a touchscreen device, you could use 2Handwrite on Purple Mash - exploring different writing implements. • Your grammar activity this week is Mark wants chicken and is an introduction to inverted commas to punctuate direct speech. • Remind yourself about inverted commas by doing the following supermovers. • On the BBC home learning website, this week, the History project also looks at the Roman conquest. Watch the video and complete a comic strip of the Roman invasion and how the Celts fought back.
sentence	notice										
recent	innocent										
parcel	process										
grocer	December										
distance	voice										

Keep Active!

- Practice a static balance by standing on one leg. Make sure you take turns balancing on both your left and right foot. Try raising your other foot off the ground in front, behind or to the side of you. Which do you have the most control over?
- Develop accurate throwing skills and practice balancing on 1 or 2 feet by drawing out and playing hopscotch.
- Join in with [Joe Wicks](#) every morning at 9am for a thirty minute P.E. lesson. There are also shorter workouts available on his webpage.
- Practice your times tables using [supermovers](#).

Science

- Each week this half term we will be looking at different Scientists. Read the information on the Purple Mash 2do factfile (you do not need to complete the factfile) and try to do some research of your own. At the end of the term it would be nice if you could create a montage of the different scientists and the contribution they have made.
- This week: Mary Anning.
- There are some fun investigations that you can download from the British Science Week website [home based activity packs](#)

Learning Project

Various activities covering the wider curriculum to be completed over the week.

● **Be Active:** Give simple instructions, learn directions and explore simple logo on the 2do. Create your own grid and ask someone to give you instructions to navigate it. Imagine you are a Roman soldier going through your daily training.

Let's Wonder: Imagine you are fighting with or against Boudicca. Draw an illustration of what she would have looked like and how she might have inspired or frightened you.

● **Let's Create:** Design a wanted poster for Boudicca or download this worksheet from [Twinkl](#) to make your own Boudicca poster.

● **Time to Talk:** Watch the Roman Life slideshow on Purple Mash. Try to imagine how life would have been back in Roman Times. Are there any similarities with your life now? Talk to your family about what aspects of Roman life they would have enjoyed.

● **Understanding Others and Appreciating Differences:** How do Christians worship? Singing is an important part of Church life for Christians. The following clip shows different types of Christians worshipping including a Cathedral choir and an Evangelical congregation.
[Christian Worship](#)

● **Reflect:** What music did you like best in the above clip, and why? What does the music mean? What moods and emotions seem to go with the music? If you had to choose some music that was spiritual what would you choose for emotions like joy, thinking deeply, sad times, togetherness or wonder? If you had to choose music to go into battle or march to, what would it sound like?

The 2do activities on Purple Mash will become accessible to children on different days - similar to how the learning would take place in school. Some phonics and handwriting activities have been set as 2dos on Purple Mash for those children who still need to practice these.

The Radio Times have also put a list together of daily online 'lessons' at [Kids online school timetable](#)
