

Hello Reception!

We have a very tricky challenge for you this week and an activity that you can keep practising!

We would like you to practise reading the tricky words on the next few sheets. You need to be able to just look at the words and know what they say, just like our sounds!

Here are some ideas of games you can play with the words.

1. **Treasure Hunt:** Hide them around the house or garden and have a tricky word hunt!
2. **Beat the Timer:** Set a timer and see if you can read all the words before the timer runs out.
3. **Lucky Dip:** Fold up the words and take them out of a box one at a time. Open them up to see what words you have found.
4. **Copy Me Do:** Read and copy the words. You could write them with water outside on the floor, in chalks, in sand and shaving foam.
5. **Tricky Word Bingo:** Photocopy the sheets or write out the words and use them to play bingo.
