

Our Vision

Rooted in Christian belief, our vision for every member of this school community is to feel valued and respected, regardless of age, gender, sexuality, race, faith, belief or ability. Through developing a love of learning, each individual will have the opportunity to reach their full potential and aspire to become the person they were born to be.

Let your light shine before others, that they may see your good deeds and glorify your Father in Heaven. Matthew 5:14-16

Our Values

At Kirk Fenton CE Primary school, we ensure that our values, derived from our vision for the school, underpin everything that we do. The ethos of the school is built around four key Christian values chosen by our community. These are Thankfulness, Respect, Perseverance and Forgiveness. Our values are shared continuously with and by every child, adult and member of our school community.

Thankfulness....

Give thanks to God, for He is good, for His loving kindness endures forever. Psalm 118:1

Pupils at Kirk Fenton are taught to appreciate the beauty and bounty of the world around them and to value the families, gifts and opportunities that they have been given. By doing this, they are able to recognise injustice in the world and are encouraged to take action to use their gifts to make the world a better place for all.

Respect....

A new commandment I give you: Love one another as I have loved you. By this, everyone will know that you are my disciples. John 13:34 -35

A high standard of behaviour is expected at all times from all at Kirk Fenton. Children and adults are expected to show respect for themselves, their peers, each other, school property and their own belongings. This value is also reflected in our school rules 'Ready, Respectful and Safe'. These are backed up by our school Behaviour Policy and codes of conduct for staff, parents and governors.

Perseverance....

I can do all things through him who strengthens me Philippians 4:13

At Kirk Fenton pupils are taught to be independent, resilient and resourceful in a supportive environment where learning from mistakes is a valuable skill. Our vision is for pupils to develop a love of learning that will support them through the next stages in their education and onwards by showing them that hard work and perseverance are the building blocks of knowledge and success.

Forgiveness....

Just as the Lord has forgiven you, so you must also forgive others Colossians 3:13

As we are human, we accept that sometimes people make mistakes or make the wrong choices. At Kirk Fenton we use restorative practice to promote the understanding of why this sometimes happens and the use of forgiveness as a tool for reconciliation.
