

Over the summer, the most important thing you can do to prepare for Year 2 is to read for 20 minutes every day. This could be you reading, taking turns to read, echo reading or listening to an adult or audio book. By the end of Year 2 we need to know how to read and spell all of these words. Make sure you have mastered the Y1 words over the summer and start looking at the Y2 words so you are familiar with them.
