

Phonicsplay.co.uk provides games for your child to play which are linked to the sound they are working on. Look in Resources, Phase 2 and pick the sound you would like your child to learn.

Don't forget to use: www.teachyourmonstertoread.com. This website provides a fun way of teaching phonics through interactive activities and games.

Parents, if you are unsure how to pronounce the sounds go to:

www.youtube.com/watch?v=-ksblMiliA8

Maths Tasks

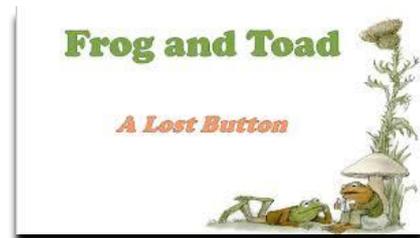

This week we are looking at the number 2. You can find out all about number two with Numberblocks on YouTube:

www.youtube.com/watch?v=xyRFdFSGsgQ

Can you find two objects in the house? Can you think of something that comes in a pair? Remember to take some photos of what you have found!

We are looking at sorting items this week. Watch the story *Frog and Toad, A Lost Button* on YouTube.

Can you sort some buttons? How did you sort them? Did you sort them by colour, shape or size? Can you find some other objects to sort? Can you sort your soft toys? How did you sort them? Was it by colour, shape, size or type?

Learning Project

(Various activities covering the wider curriculum to be completed over the week)

- Can you make a lion's face using a paper plate?

- Can you find out some facts about lions Here's a website to help you:
<https://www.natgeokids.com/uk/discover/animals/general-animals/10-lion-facts/>

- Can you roar like a lion? Use your garden to move around like a lion. Don't forget to take some photos!

- Can you make a house for a mouse using different materials from your recycling?

Please don't forget to take photographs of some of the things your children have made or written and email them to me at admin@kf.starmat.uk, so we can share them as a class.
