

# Be Your Best Self

August 2020

Dear Parents

## Year 6 Online Information Event

I hope this finds you well?

You may already be aware that we will not be able to hold our fantastic Year 6 Roadshow in your primary schools due to current COVID-19 restrictions this year.

However, I am delighted to invite Year 6 parents and students to an online event when attendees will have the opportunity to see a presentation from myself, students and colleagues and to ask questions relating to your child's transition to secondary school. There will also be the opportunity to send in any questions ahead of the evening, which we will respond to.

You are most welcome to join the online presentations, which will take place on our Facebook page [Tadcaster Grammar School - Home](#) at 6.30pm on:

### Wednesday 16 September 2020

To make this event more personal and relevant, ahead of the event you will be able to email questions to [transition@tgs.starmat.uk](mailto:transition@tgs.starmat.uk) Also, during the presentation you will be able to ask questions via comments on the Facebook Live Event stream. Recordings of the presentation will be available to watch at a later date, if you are unable to participate in it live.

In addition, we will be hosting an online Open Event for prospective students and their parents which will be available on the school website <https://tgs.starmat.uk/> in late September. This will provide you with the opportunity to have a virtual look around the school, meet some staff and hear from some of our current students about their experience in school.

Our prospectus and most recent Ofsted report will also be available online along with [information](#) regarding this year's Year 11 and 13 results and students destinations.

We look forward to meeting you virtually in September.

Yours faithfully,
