Mr. Chatterbox has made all Little Miss Bossy's sentences too long! They don't sound bossy anymore! Can you help Little Miss Bossy make the sentences more bossy?

Please could you fold the paper in half.

When you are ready line up at the door.

If you want to eat your lunch.

Please feed the cat.

Can you brush your teeth?

When you have time tidy your room.

Remember to use a capital letter and full stop in every sentence. Write your bossy instructions in your best handwriting.
