

# How to make bird seed cakes

## What you will need:

### Ingredients

- Lard
- Bird seed
- Dried fruit mix
- Flour

### Equipment

- Mixing bowl
- Mixing spoon
- Chopping board
- Knife
- Apron
- String
- Plastic cup and pencil
- Instruction sheet
- Scissors

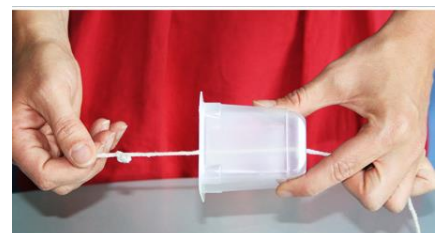

Before you start, put on your apron and wash your hands!

1. First, make a hole in the plastic cup using a pencil – ask an adult if you need help with this.

2. Next, thread some string through the hole in the cup and tie a knot inside.

3. Then cut up some lard into cubes. Use the knife and chopping board.

4. Next, put the lard, bird seed, dried fruit and flour into the mixing bowl. Use the spoon to mix the ingredients together.

5. Then put the mixture into the plastic cup. Put the cup in the fridge to set. Wash your hands.

6. Finally, cut away the plastic cup and hang the bird food on a tree outside. Wash your hands.
