

Class: Mercury

Week 2

Dear Parents,

I would like to say a big thank you for all your hard work. I have been so impressed with the quality and range of activities the children have been doing at home. I am aware that many of you are juggling working from home with home schooling and caring for your other children. So, let me just say I think you are all doing a fantastic job of keeping your children engaged and happy! I know from my own experience that teaching your own child at home can sometimes be more challenging than teaching a class of 28! Reading your emails and seeing the children in your photos has kept me smiling over the last couple of weeks.

Best wishes,

Mrs Westfeld
