

Neptune Class News

What we are learning...

Topic: This half term, we are continuing to investigate the geography, history and art of India. This will include finding out about the different regions of this amazing country and looking at the major historical events from the last 100 years.

English: Our English learning is linked to the learning we will be doing linked to **Refugee Week**. We will be walking in the shoes of a young refugee, writing a monologue about their experiences. We will also be writing a poem about the journey of a family hoping to find sanctuary.

Maths: As we have finished all of our new year 6 learning, we will be doing lots of maths investigations, using all of our great knowledge to solve a wide range of problems in different contexts.

Science: We have lots of exciting science learning planned for the next few weeks, including finishing our topics on 'light' and 'electricity'.

It is going to be a very busy and exciting final few weeks for year 6, as we prepare for the move to secondary school. We are already practising hard for our production and can't wait to share it with you.

Notes and reminders...

Children need to continue to come to school in their P.E. kits on Wednesdays.

Please remember to ask your child to apply sunscreen before school if it is sunny. Please don't hesitate to get in touch if you have any questions or concerns:

r.cameron@kf.starmat.uk

Dates for your diary...

Thursday 8th July Camp out in the school hall

Tuesday 13th July Production performances at 14:00 and 18:30

Wednesday 14th July Production performances at 14:00 and 18:30

Thursday 15th July Day at the woods

Monday 19th July SATS Breakfast 08:45
