

*Welcome to
Bees
Reception*

We are the busy bees!

About Us

Hello, my name is Mrs Westfeld and I am looking forward to being your new class teacher when you start school! Our class is called Bees and it is full of fun and interesting activities for you to do. You will be able to make lots of new friends here and learn about all kinds of amazing things. I have two children of my own and my little boy will be starting at his new school in Reception just like you!

Our teaching assistant is called Miss Graham and she has been at Kirk Fenton for six years now.

We are both very excited about meeting you in September!

Mrs Westfeld and Miss Graham

*Welcome to
Bees
Reception*

September

Every class in our school is named after an animal. In the first two weeks we will be learning all about our class animal, the bee. We will then present our bee work in a whole-school exhibition, where it will appear alongside the other classes' animal work.

We will be using the book, 'The Most Important Animal of All', which will be published at the end of July and contains some great facts about bees.

This will be our whole school text in September.
