

POPPY Competition

Competition

Would you like to design and make your own poppy over the half-term break? You can use any media, e.g. tissue paper, card, paint, sweet wrappers, wool, pipe cleaners or salt dough. You can even create one on the computer.

Please ensure it is no bigger than an A5 piece of paper (half of A4) and is clearly labelled with your name and class.

Have fun!

Winners

Three winners will be picked and awarded a Gold, Silver and Bronze Certificate in the Good Work Assembly on Friday 5th November.
