

Bears Class News

What we are learning...

Topic: Why are bugs brilliant?

This term we will be focusing our learning on minibeasts and all things outdoors! We will have our very own Bears garden centre for our role-play and will enjoy focusing our learning around the following stories:

We have a wonderful amount of outdoor space and we can't wait to get out and explore our school grounds for some minibeast mania!

Literacy:

The Summer term has come around SO fast and is our final term to begin supporting the children to be Year 1 ready. Our focus will be to encourage the children to develop their independence in writing and transition to Y1 as confident writers of phrases and sentences. We will be enjoying a good range of non-fiction texts to support our scientific topic and our writing will reflect this with the children producing information texts of their own.

Maths:

This term we are going to be extending our number learning to 20 and beyond. We are going to be looking at the number patterns for the teen numbers, counting patterns such as 2s, 5s and 10s and manipulating, matching and rotating shapes. We will also begin to add and subtract using our concrete resources.

Our values

Forgiveness & Respect

"True forgiveness is when you can say thank you for that experience"

- Oprah Winfrey

Dates for your diary:

World Earth Day—22nd April

Bike to school day—4th May

World Numeracy Day—13th May

Outdoor Classroom Day—19th May

Reading for Pleasure is a key priority at Kirk Fenton this year. We are taking many steps to improve children's access to reading. If you are able to visit your local library, you and your children can enjoy special time reading stories together.

Key Information...

Reading:

Please support your child to embed their phonics learning by reading at home **at least** 3 times per week.

Reading books/Home work:

All reading/homework books to be returned on THURSDAYS to enable time for changing.

PE Kits:

As the weather changes, PE will start to take place outside. Please check your child has the correct PE Kit. Please see the website for details.
FRIDAYS ONLY.

Summer ready:

With warmer weather hopefully coming our way please ensure your child has a water bottle in school and a labelled sun-hat when needed. Please apply any sun cream at home as we are not able to apply cream at school.
