

Dear parents/carers,

The year 6 SATS assessment week is nearly upon us, so we just wanted to keep you up to date with the arrangements. Below is the timetable showing what assessments are happening and when. When children are not doing an assessment, we have a week of exciting hands-on science, art and DT planned. All children are invited to a breakfast club every morning at 8.30am, which has been a lovely event in previous years, enjoyed by all who attended. Each morning there will be a variety of food available: the class has given us a long list of requests! On Friday morning, we will be holding a celebration breakfast at the same time.

We have been so proud of the class for their maturity and resilience, as we have prepared for SATS week. As we keep telling them all, they are an outstanding group of children, full of curiosity and enthusiasm, who will go far; the outcomes of next week will reflect just a small part of their abundant skills and talents.

Please don't hesitate to get in touch if you have any queries regarding the above. My email address is: [r.cameron@kf.starmat.uk](mailto:r.cameron@kf.starmat.uk). Thank you for your ongoing support.

Kind regards,

Mrs Cameron and Mrs Lynn
