

Jaguars - Year 5 Spellings - Summer 2

We are doing spellings a little differently this year. There are three groups of spellings to learn before half term (a list of words per fortnight). The spelling focus words link to a spelling focus we have been looking at in class, a. **You will be tested on 10 random words which fall under the spelling focus section and 10 from the year 5/6 statutory spelling list on one of the last days of this half term (14th July).** This will help us know if the spellings have stuck when you have learned them!

I have included a selection of example words, however the rule does include a larger range of words that the children will learn at school. Please let me know if you have any questions.
