Milligan Class News - Autumn 2

What we are learning...

We have lots of great learning planned for this half term...

Topic: We are just finishing up our topic on rivers and will be moving on to an exciting new topic... Roman York! We'll be finding out all about Eboracum over the coming weeks.

English: We will be writing a poem with an autumn theme and a non-fiction text comparing Church Fenton and York.

Maths: This half term, we will be continuing to work on addition and subtraction at the beginning of each week. On Thursdays and Fridays, our focus will shift to mass and capacity.

Science: We are learning about animals including humans. Our key scientist this half term is Wilhelm Rontgen.
