

Our learning this half term turns to discovering ancient mysteries from around the world. In geography, we will be learning all about rivers and how they have shaped different landscapes both here in the UK and in North America. In history, we are exploring Ancient Egypt. We will be learning about Tutankhamun, Howard Carter, Lord Carnarvan and life in Ancient Egyptian society.

Science: We have lots of exciting science to investigate this half term. During science week we will be exploring the discovery of penicillin.

Maths: Our maths learning this half term will involve new topics including decimals, fractions, percentages and measurement.

English: We are continuing to explore a range of texts for our guided and independent comprehensions. Our writing will include an informational text all about healthy living, a recount from the perspective of Howard Carter and a diary entry, from the perspective of the main character in our class book.

RE: In RE we will be exploring the question 'what do religions say to us when life gets hard?'

Diary dates...

World book day: **2nd March**

Open classroom: **3rd March**

Parents evening: **7th and
9th March**

Science week: **13th-17th
March**

Year 6 residential: **29th-31st
March**

OUR CHRISTIAN VALUES THIS TERM
IS PERSEVERANCE.

ANGELOU CLASS NEWS

Information...

To help fully prepare the children for their SAT exams, SATs booster club will be running every Wednesday, after school.

If you ever have any queries or questions please don't hesitate to get in touch at:
e.priory@kf.starmat.uk

Children need to come to school in their P.E. kits every Monday and Thursday.

Children need to practise their times tables every week, through Times Tables Rockstars. I cannot stress enough how important fluency in these key facts are for the new year 6 maths learning.

Please encourage your child to read at home. Reading for 20 minutes a day exposes children to 1.2 million words over a year, and supports all areas of children's learning.

I will be setting the spelling lists for the children on Sunday mornings and they expire just before school on Fridays. It is an expectation that your children access Spelling Shed at least twice a week, there are lots of fun interactive games for them to be having a go at that will also help boost their writing capabilities.
