

What we are learning...

Our topic this half term will explore India and what it is like to live there. We will learn all about Chembakoli, a small village in the South of India. In science we will be looking at how animals in India are adapted to their environment. In RE we will learn about the importance of Easter.

Maths: We will be working on Multiplication and Division, as well as Length, Height and Mass, and Capacity and Temperature. Regular Numbots practice makes a huge difference to mental maths skills. Try to complete 10 minutes 3-4 times per week.

English: In English we will be writing a non-chronological report about an Indian Animal and a traditional tale set in India. New spelling lists are on Edshed, please make sure your child is regularly practising these. Spellings will also be sent every Monday so your child can practise their handwriting. Our class novels will be 'The Climbers' and 'Harry the Poisonous Centipede.'

ROSEN CLASS NEWS

It has been lovely hearing all the stories about what the children have been doing over the Half Term. If you have any questions or concerns, please don't hesitate to get in touch via my email:
k.moody@kf.starmat.uk
Miss Moody

OUR CHRISTIAN VALUES THIS TERM
ARE PERSEVERANCE AND RESPECT.

Information...

Children need to continue to bring their Reading Books in every Monday and their Library Book every other week. They also need to continue to come to school in their P.E kits every Monday and Wednesday.

Please encourage your child to read at home. Reading daily for 10 minutes makes a huge difference to children's reading fluency and their understanding of English language. Children also need to practise their maths (on Numbots) and spellings. Please contact me if you need any logins for either Numbots or Spelling Shed.

Key Dates:

- 2nd March - World Book Day
- 3rd March - Open Classroom 3pm
- 13th March - Science Week
- 17th March - Class Worship 9.05am
- 23rd March - World Poetry Day
