Milligan Class News - Summer 1

What we are learning...

We have lots of great learning planned for this half term...

English: This half term, we will be writing adventure stories. We will be trying to use speech in them. We will then move on to writing recounts.

Maths: This half term, we will be starting with the second half of our Fractions unit before moving onto Money and then Time. Please continue to reinforce x tables at home as they are a key part of Maths learning.

Science: This half term, we will be learning about Plants. Our key scientist is Anna Atkins.

RE: This half term we will be thinking 'The Trinity' and what this means for Christians.

Geography: We will be continuing to develop our map and atlas skills ensuring that we are accurate when using them both.
