

As we begin the final half term of the year we will be focusing on the topic of seeking sanctuary; what is it like to become a refugee?

**English:** We are enjoying our class book: **When the Sky Falls** and will be shortly writing some descriptive literature all about the blitz. Throughout the half term, we will also be exploring the challenges of being a refugee and writing balanced arguments and letters all around the complex issues of in this area.

**Science:** In science we will be exploring electricity and famous scientists Michael Faraday and William Kamkwamba

**Maths:** Our maths learning this half term will involve consolidating all our learnt knowledge from this year whilst also taking a look at a host of real life scenarios involving maths.

**PE:** This half term we will be outside as much as possible and furthering our athletic and rounders skills.

**RE:** In RE we will be exploring the question 'What matters most to Christians and Humanists?'

## Diary dates...

**Monday 12/06/23** Class photos

**Tuesday 25/07/23** Leavers' Service 2.15pm

**Tuesday 25/07/23** Break up

# ANGELOU CLASS NEWS

Information...

To help fully prepare the children for their transition to year 7, we will be spending time talking about this move, and sharing any worries children may have.

If you ever have any queries or questions please don't hesitate to get in touch at:  
[e.priory@kf.starmat.uk](mailto:e.priory@kf.starmat.uk)

Once again this half term PE will be on a Thursday with an occasional slot on a Friday afternoon, however, I will inform you on Marvellous Me if this is the case.

We will shortly be starting auditions and rehearsals for our upcoming end of year show. I will send out all relevant details nearer the time.

I can't stress enough how important it is that children are practising their times tables and completing their homework every week. It will really benefit them in their transition to secondary schools.

It is important, as the sun begins to shine, that the children come prepared to spend breaks and lunchtimes out in the sun.

Please encourage your child to read at home. Reading for 20 minutes a day exposes children to 1.2 million words over a year, and supports all areas of children's learning.
