

Shakespeare Class - Year 5

Summer 2 Newsletter

What are we learning:

Our topic this term is: Is anyone out there? Where we will be discussing Space!

In English, we will be continuing to work towards year 5 targets through a range of text types. Our first of the term will be a persuasive piece, with a focus on modal verbs, persuasive language, and using a variety of sentence types. We will still be focusing on embedding our Shakespeare class targets for writing, which are: recognising when to use a comma or a full stop, separating clauses with commas, punctuating speech correctly, and using exciting vocabulary.

In maths, we will be continuing to look at angles and shape, and then will move onto adding and subtracting decimals, negative numbers and then looking at volume.

Our science topic will be on space. We will be investigating the movement of the moon and the Earth and how that affects us on Earth.

The focus on geography will be on reading OS maps. Will be learning how to read 6 figure coordinates and how to read a compass.

Our Christian Values

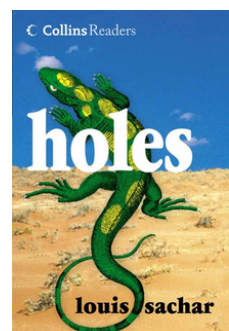

Our Christian values this term are:
Forgiveness and Respect

What are we Reading?

This term we will be reading Holes by Louis Sachar.

We will also be reading a range of picture books and short texts linked to our science, geography and writing topics

Homework

Each week, the homework expectation is:

- Complete the spelling assignment on EdShed:
- Complete 20 minutes per week on TTRockstars (practising all timestables.)
- To read each day, either their school book or a book of their choice.

There will be TTRockstars club on Wednesday lunchtimes and Spelling club on Friday lunchtimes to help support anyone who cannot access the apps that week.

Children may be asked to attend the clubs if they do not do the homework.

If you have lost or cannot access EdShed or TTRockstars, please let me know as soon as possible.

We want to thank you
for your continued
support.

Please come and speak
to either myself or Mrs
Clark before or after
school if you have any
questions. Thank you. Mr
Symes

Upcoming dates

Monday 12/06/23 Class photos

Tuesday 13/06/23 Year 5 Great
Science Share
