Milligan Class News - Summer 2

What we are learning...

We have lots of great learning planned for this half term...

English: This half term, we will be writing recounts and historical fiction. We will be using the book 'Stone Age Boy' as inspiration. We will be trying to use and apply all of our Year 3 learning in these final units.

Maths: This half term, we will be continuing our Time unit, followed by Shapes and then Statistics. Please continue to reinforce x tables at home as they are a key part of Maths learning.

Science: This half term, we will be continuing to learn about Plants. Our key scientist is Anna Atkins.

RE: This half term we will be thinking 'What does it mean to be a Christian in Britain today?'

History: We will be learning about the Stone Age. Our trip to Murton Park supports this learning.
