

Year 5 - Johnson Class

Mrs Rowley and Mrs Wolterman

Spring 1 2025

Welcome back and Happy New Year.

We are all very excited about the term ahead. We have lots of exciting plans.

What are we Learning?

What we are learning...

Our topic this term is Reactions and Changes - can you make new materials by mixing materials together?

In writing, we will be writing a balanced argument about screen time for children. We'll then be inspired by the short film The Piano to create a narrative piece of writing, recounting the story in our own words.

In maths, we will be developing our learning about multiplication, division and fractions.

In science we are continuing to learn about different materials and their properties. We will be exploring reversible and irreversible changes.

For our humanities learning we will be focusing on geography, comparing South America to the UK.

In art we will be creating skyscapes inspired by Vincent van Gogh.

Our Christian Values

Our Christian value this term is Perseverance.

What are we reading?

We are reading 'When the Sky Falls' by Phil Earle

Homework

Each week, the homework expectation is:

- Complete the spelling assignment on EdShed;
- Complete 30 minutes per week on TTRockstars;
- To read every day.

There will be lunchtime opportunities for children to access the apps if they have not been able to do so at home.

Children may be asked to attend if they do not do the homework.

If you have lost your login details or cannot access EdShed or TTRockstars, please let us know as soon as possible.
